

We make **home** an alternative

Volume 9 • Issue 5

September/October 2009

Editor's Note

Our lead story this issue explains some of the interesting and innovative programs we have in place within our community. For example, we are hoping that many of you will contact us and nominate a worthy senior citizen for our *Make a Wish* program. Likewise, perhaps you can help us in 2010 with our *Backpack* drive.

We hope you enjoy learning about our company.

Spotlight on Company Programs: Working to Make a Difference

By Carla Albano, Executive Administrator

Every year we strive to develop motivational programs that challenge our employees to volunteer, thus providing a fun way to give back to the community. For example, in 2008 we hosted a talent show at a local retirement community that showcased Alternative employees and professionals. The show was fulfilling for the performers, and truly warmed

the hearts of the community residents who attended. We also generated a nice charitable contribution that benefited needy residents of the community.

This year we have several programs of interest. With your help, we can make them all a success!

"Make a Wish" for Seniors

Our company is committed to fulfilling the wishes of local senior citizens. Think about something that you, or a senior you know, has

always wanted to do or accomplish — a long-overdue visit to a relative or friend, a book you've wanted to read, a movie you've wanted to see... Regardless of how big or small, please share it with us because our goal is to make your wish come true. Our first candidate wanted to go to a baseball game up north, but a serious health issue caused us to postpone the trip. We are open to more suggestions! Any wish will be considered, so please contact Shawn Weaver at (954) 730-0588 with your nominee, or complete the form on the back of this newsletter and fax it to (954) 584-5854 by November 15.

Employees of the Month

Valera C. Fort Lauderdale

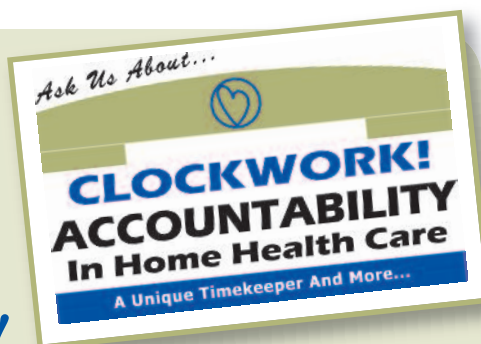

Valera's client, Mrs. C, thinks Valera is a lovely lady. She feels as though she hit the lottery. She said that Valera is nice and neat, and that if there is anything that Valera does not know she learns quickly. The client also said that Valera deserves a book of stars!

Samantha M. Miami

Samantha is a hard-working, responsible caregiver. She even drove her client and his wife to Tampa Bay so that they could have a family reunion. The family was very happy and most appreciative of her kindness, generosity and dedication to their family member.

Shining Star Program

Your feedback is appreciated! Any time one of our employees receives a compliment from a client or goes above and beyond the normal call of duty, he or she receives recognition in the form of a “Shining Star” sticker. *You're a Shining Star!*

As these star stickers accumulate, the employee will be eligible to redeem them for valuable prizes such as small appliances and housewares — even grand prize items including flat screen TVs. Shining Stars can be redeemed anytime from our catalog of prizes. So, if you work with our company in the community, your compliments are sincerely appreciated, and are very important to our field staff!

Thanksgiving Food Drive

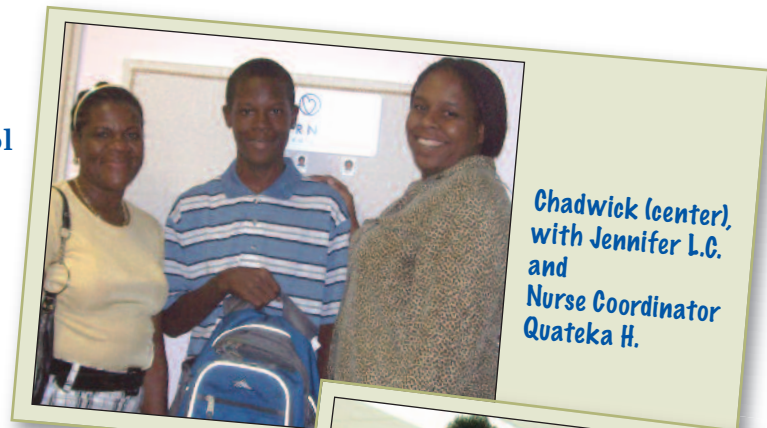

This year we will provide a complete Thanksgiving Dinner for several of our aides and their families! The lucky recipients will be chosen via a drawing. We intend to collect the food within our company and distribute it the week before Thanksgiving. We are thankful for our field staff, and we want to show it in a very tangible way!

If you have any questions or suggestions about our programs, please do not hesitate to give us a call at 877-584-7772. ☺

Back-to-School Backpack Drive

We've just completed our biggest Back-to-School Backpack Drive ever! Seventy-five children of our employees received new backpacks stuffed full with school supplies. We also held BBQs at our offices to celebrate the new school year. We thank all of our friends in the community who contributed to this worthy drive, and look forward to another successful program next year!
